TO FIND MONOGRAMS QUICKLY

TWO-LETTER BLOCK MONOGRAMS

THE block letter monograms are alphabetically arranged and are found on Pages 6 to 19. AA, AB, AC, etc., to AZ make up the Page 7. Page 8 starts with BB instead of AB; as BA and AB make the same monogram and will be found among the A monograms.

The same rule prevails all through the block letters. As illustration CZ would be found under C's, ZC (Page 9).

In looking for a two-letter block monogram, look under the letter nearest to the first letter of the alphabet.

TWO-LETTER SCRIPT MONOGRAMS

These are simple to find as each page represents a letter All A's on Page 21, B's on Page 22, etc.

Three-letter Script Monograms require two impressions — the monogram and single letter making the three letters.

There are no X's among the letters or monograms.

A Quick Index for monograms will be found on Page 47.
